

# PINEWOOD ENGLISH LANGUAGE CENTER

September 20, 2011 – May 31, 2012

## MIND THE GAP

Pinewood – The American International School of Thessaloniki is proud to introduce a brand new, innovative course designed for young students between the ages of 12 and 15, which will begin in September 2011. If your child is bilingual or has succeeded in a B2 level exam in English, you may be thinking about what they can do next to bridge the gap between their First Certificate (Lower) and Proficiency level. This program is precisely geared toward filling this need for an integrated approach to English language instruction through the exploration of literature, interactive socio-cultural discussions, critical thinking exercises, and research method development.

Under the guidance of Dr. Roxanne Giampapa (Director of Pinewood) and Ms. Dimitra Bentioulis (Coordinator of the English Language Center), this course will be taught by Ms. Marianne Dundon, a Bilingual teacher and Coordinator with many years experience in the field. This unique program seeks to provide a dynamic learning environment that moves beyond a traditional classroom setting to provide English language instruction with real-world applications.

### Course Schedule

Courses run from September 20, 2011 to May 31, 2012. Classes meet twice a week for 1.5 hours – on Tuesdays and Thursdays (4:15 – 5:45 p.m.).

### Location and Amenities

Pinewood is conveniently located between Thermi and the Hyatt Hotel (very close to IKEA, AB supermarket, and Cosmos Mall). The school offers ample parking facilities, a modern and safe playground for young children and free use of its newly refurbished library. Course participants and their siblings are also invited to join two Pinewood after school activity and sports clubs for free!
